BOOK SYNOPSIS

Including 3 full length exams, structured and styled exactly like what you will find on the real test, this study guide is designed to increase and maximize scores for any student regardless of current subject knowledge and skills. Our AP Psychology Exam study guide does not contain filler or fluff, so you can work through the guide at a significantly faster pace than other AP Psychology review books. By providing only the effective content a student needs, time is better spent meaning total study time is actually decreased, preventing "burn-out" and mental fatigue, thus allowing for better retention of the key concepts needed for the AP Psychology test.
