BOOK SYNOPSIS

A Boston Globe Best Nonfiction Book of 2011 Celebrated as one of the most poignant stylists of his generation, André Aciman has written a luminous series of linked essays about time, place, identity, and art that show him at his very finest. From beautiful and moving pieces about the memory evoked by the scent of lavender; to meditations on cities like Barcelona, Rome, Paris, and New York; to his sheer ability to unearth life secrets from an ordinary street corner, *Alibis* reminds the reader that Aciman is a master of the personal essay.
