BOOK SYNOPSIS

Master the human relation skills you need to become successful in today's workplace with one of the most widely used human relations texts available. **EFFECTIVE HUMAN RELATIONS** incorporates hundreds of examples of real human relations issues and practices in successful companies. This comprehensive 13th edition explores goal-setting, the root causes of negative attitudes, the use of personal branding and social media in the job market, emotional intelligence, positive psychology and happiness, and how companies create a dynamic company culture. Self-assessments and self-development opportunities throughout the book teach you to assume responsibility for improving your personal skills and competencies. This text will help you gain the insights, knowledge and relationship skills you need to deal successfully with the wide range of people-related challenges in business today. It is a text you can continue to refer to throughout your life! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
