## **BOOK SYNOPSIS**

The Home Preserving Bible thoroughly details every type of preserving-for both small and large batches-with clear, step-by-step instructions. An explanation of all the necessary equipment and safety precautions is covered as well. But this must have reference isnt for the novice only; its filled with both traditional and the latest home food preservation methods. More than 350 delicious recipes are included-both timeless recipes people expect and difficult-to-find recipes.
