## BOOK SYNOPSIS

From a master patissier comes an inspirational—and equally practical and achievable—guide to delicious French-style baking in the home kitchen. The French Baker features 95 recipes accompanied by beautifully shots and styled images; the more complex and technical baked items are supported by step-by-step photography and further hints and tips. Throughout the book, recipes are interspersed with narrative sections that feature French-born Jean Michels stories of his training and work in patisseries in France and give insights into the place of bakers and baking in French society. Introductions and breakouts also provide information about the recipes history, traditions and cultural significance. The recipes are a mix of sweet and savoury, and following on from a basics/techniques/equipment section they are grouped into chapters focusing on biscuits; cakes and muffins; tarts and pies; choux pastry; brioches; flaky pastry; breads; spreads and jams; and creams and curds.

### **FRENCH BAKER AUTHENTIC FRENCH CAKES PASTIES TARTS AND**
