BOOK SYNOPSIS

An Ancient Wisdom Text Revealed . . . Both an ancient, "found" wisdom text and a sumptuous, epic novel, Gaia Codex reveals the hidden histories of a world long forgotten, the secret wisdom of an ancient lineage of women, the Priestesses of Astera. Set in a near future of impending societal and environmental collapse, the novel is a tale of hope and remembrance, as well as an inspired vision of humanity's origins and of the potential we hold for conscious evolution.
