BOOK SYNOPSIS

Americas #1 bestselling home buying guide Are you looking to buy a house, but dont quite know where to begin? Have no fear! This new edition of Home Buying Kit For Dummies arms you with Eric Tyson and Ray Browns time-tested advice and strategies for buying a home in current market conditions. Packed with valuable tips for getting the best deal on your new home and navigating an ever-changing housing market, it shows you how to find the right property, make smart financial decisions, and understand the latest lending requirements and tax implications. Thanks to looser lending standards, lower down payment mortgages, and a wider selection of homes to choose from, first-time homebuyers are making a comeback in the housing market. But if you dont know a Colonial from a counter offer, the process of buying a home can be daunting. Luckily, this bestselling guide is here to take the confusion out of the process! In plain English, it provides step-by-step guidance for buying the home of your dreams, from inspecting a property to evaluating a location to making sense of loan applications, tax documents, and counter offer forms. Negotiate your best deal and obtain a lower down payment mortgage Improve your credit score Make sense of changing lending standards Take the confusion out of lending laws, mortgage rates, and marketplace conditions Whether youre a renter, investor, or current homeowner, everything you need to plant roots in a new home sweet home is just a page away.
