BOOK SYNOPSIS

A sexy category romance from Entangled's Brazen imprint... His heart is bound tighter than the bondage he craves... Determined to put her past behind her, Cassidy Peyton moves to the Big Apple. But New York has a few dark secrets of its own, including Serve, an exclusive BDSM club. It's a place she isn't sure she's ready for, until she sees him watching her. Hot. Intent. Knowing. With eyes that leave her stomach tied in knots, because the loneliness he's trying to hide matches her own. Security expert David Cavill has more secrets than any man should. Secrets that forever shut down any possibility of love, marriage, or family. Yet Cassidy draws him in, an intoxicating combination of strength, candor, and sensuality that David can't resist. But as their bond deepens, Cassidy must decide if she can love a man whose heart is bound tighter than the form of bondage he craves...
