BOOK SYNOPSIS

The hottest trend in hot rodding is Pro/Touring--upgrading classic muscle cars with modern performance, handling, safety and comfort. This subject gets extensive coverage in magazines such as Hot Rod, Car Craft, Chevy High Performance, and other enthusiast publications. This book shows readers how to upgrade their classic Chevy, Pontiac, Buick, and Oldsmobile muscle cars in all areas--late-model fuel-injected engines, better brakes and suspension, hot interiors, and bodywork. Includes several "minifeatures" of well-known Pro/Touring cars for readers to use as examples.
