BOOK SYNOPSIS

We all have those days - when small problems become crises, when little temptations become big choices, when we don't know who to trust or where to turn. The book of Proverbs, written by the wisest man who ever lived, offers revolutionary wisdom for troublesome times. This remarkably down-to-earth study explores such pressing themes as how to handle difficult people, what to do when temptation comes, knowing who to trust, how to handle finances, and even wisdom on marriage and parenting. Combining his trademark illustrations and insights, Charles Swindoll offers up a work that will help readers live out the wisdom of Proverbs as never before. He draws on his previous best-selling content, adapting it for a new, 21st century audience.
