## BOOK SYNOPSIS

Now in its Fifth Edition, this text is designed to teach nursing students to apply effective decision-making, leadership, delegation, prioritization, and patient management skills to real-world practice situations. With its emphasis on critical thinking and collaborative decision making, this book has been highly successful in building students problem-solving and management abilities. The book is in full color and has light-hearted illustrations that teach key concepts in a memorable way. Icons highlight legal/ethical, cultural, and safety considerations. Numerous examples and critical thinking exercises illustrate concepts and encourage students to apply what they have learned.
