## BOOK SYNOPSIS

In the vein of *The Boondock Saints* and *Chinatown* comes this true crime memoir of brotherly love and vengeance. In 2003, Christopher Walsh was found stuffed in a trash barrel in a storage locker in Van Nuys, California. After the dilatory murder investigation took seven months to file charges, and years to go to trial, Dennis Walsh knew it was up to him to keep his little brother's murder from becoming a cold case. The only son of a large Irish-American family to stay on the straight and narrow, Dennis found his family's dubious background paired with his law degree placed him in the unique position to finish the job the cops couldn't. Fencing with the police and the DA's office, Dennis spent years slinking between his life as a stand-up lawyer and hitting the streets to try and convince the dopers, thieves, prostitutes, porn stars, and jail birds that populated Christopher's world to come forward and cooperate with the police. Yet he walked a fine line with his harsh tactics; prosecutors continuously told him he was jeopardizing not only the case, but his life. Staying on the right side of the law to hunt down these murderers put every part of Dennis to the test and it wasn't long before the brother who went clean knew he'd have to get his hands dirty. But 100 arrests later, the murderers are in jail for life. With the gravity of a Scorsese film, this classic yet gritty tale transcends the true crime genre. *Nobody Walks* is the harrowing story of a family, brothers, and the true meaning of justice.

**NOBODY WALKS** - Are you looking for Ebook *Nobody Walks*? You will be glad to know that right now *Nobody Walks* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Nobody Walks* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Nobody Walks* and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Nobody Walks*. To get started finding *Nobody Walks*, you are right to find our website which has a comprehensive collection of manuals listed.
