BOOK SYNOPSIS

QuickBooks Online is fairly easy once you know the basics. The trick is to modify the program so that it works for you and your business. We review many of the different options on this rapidly expanding program. Millions of businesses rely upon QuickBooks Online for their Accounting. It works on all types of modern computers with a quick internet connection. No longer do you have to choose between a PC or a Mac for QuickBooks, it works on both types. Whether you have already joined the Cloud Computing Revolution or are tip toeing towards it, this is a great resource to provide additional training on setting up the software, learning how to bill Customers, to pay Vendors, and to manage Inventory.
