For courses in U.S. History Show students how diverse communities and different regions have shaped America Out of Many: A History of the American People, Eighth Edition offers a distinctive and relevant approach to American history, highlighting the experiences of diverse communities of Americans in the unfolding story of our country. The only American history text with a truly continental perspective, Out of Many offers community vignettes -- from New England to the South, the Midwest to the far West -- that help students see how diverse communities and different regions have shaped Americas past. By focusing on particular communities and regions, Out of Many weaves the stories of the people and the nation into a single compelling narrative that continues to this day. Also available with MyHistoryLab® MyHistoryLab for the U.S. History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what theyve learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyHistoryLab does not include an eText. Out of Many: A History of the American People, Eighth Edition is also available via REVEL(tm), an immersive learning experience designed for the way todays students read, think, and learn.
