BOOK SYNOPSIS

As Bringing Down the House did for card counters and Positively Fifth Street did for poker players, Daniel Barbarisi does for Daily Fantasy Sports fans in this leap down the rabbit hole of America's latest obsession. Daniel Barbarisi quits his job as the New York Yankees beat writer for The Wall Street Journal and begins a quest: to join the top one percent of Daily Fantasy Sports ("DFS") players, the so-called "sharks," and figure out whether DFS is on the level—while maybe cashing in along the way. DFS is fantasy sports on steroids. It's the domain of bitter rivals FanDuel and DraftKings, online juggernauts who turned a legal loophole into a billion-dollar industry by allowing sports fans bet piles of cash constructing fantasy teams. Yet as Barbarisi quickly realized, what should have been a fun companion to casual sports viewing was instead a ferocious environment infested with sharks, a top tier of pros wielding complex algorithms, drafting hundreds of lineups, and wagering six figures daily as they bludgeon unsuspecting amateur "fish." Barbarisi embeds himself inside the world of DFS, befriending and joining its rogue's gallery as he tries to beat them at their own game. In a work equal parts adventure and rigorously reported investigation, Barbarisi wades into this chaotic industry at the very moment its existence is threatened by lawmakers sick of its Wild West atmosphere and pushy advertising. All their money made FanDuel and DraftKings seem invincible; but, as Barbarisi reports, they made plenty of dubious—perhaps even scandalous—moves as they vied for market supremacy. In Dueling with Kings, Barbarisi uncovers the tumultuous inside story of DFS, all while capturing its peculiar cast of characters, from wide-eyed newly minted millionaires, to sun-starved math geeks, to bros living an endless frat party of keggers and Playboy Bunnies. Can he outwit them all and make it to the top?

PAINTING THE EDGE DEEP DATA AND MLB DFS - Are you looking for Ebook Painting The Edge Deep Data And MLB DFS? You will be glad to know that right now Painting The Edge Deep Data And MLB DFS is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Painting The Edge Deep Data And MLB DFS may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Painting The Edge Deep Data And MLB DFS and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Painting The Edge Deep Data And MLB DFS. To get started finding Painting The Edge Deep Data And MLB DFS, you are right to find our website which has a comprehensive collection of manuals listed.
