## BOOK SYNOPSIS

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." Revolving Bookcase Reviews Millions of readers around the world have fallen in love with Bella Andre's New York Times and USA Today bestselling contemporary romances about the Sullivans! BOOK DESCRIPTION: Seattle architect Adam Sullivan is well known for his brilliant historic building restorations—and for having absolutely no interest in love and marriage. He's happy for his siblings and cousins who have found true love, but though they're clearly hellbent on seeing him settled, his family is just going to have to accept that Cupid's arrow will be skipping this Sullivan. That is, until he meets Kerry Dromoland...and suddenly Adam starts to question everything he once believed to be true about falling in love. As one of the top wedding planners in Seattle, Kerry has been waiting her whole life to find her own true love. So even though Adam makes her heart race and her body heat up every time they're together, she knows better than to think he could be "the one." Still, knowing he's Seattle's biggest player doesn't make it any easier to resist his breathtaking kisses and wicked caresses...or the fact that he makes her smile more than any man ever has. But when Kerry desperately needs Adam's help—and he comes through for her without the slightest hesitation—she begins to realize that there just might be more to the man she can't resist than she'd previously thought. Can the bad boy with no interest in being reformed—and the woman who has no interest in reforming a bad boy—find forever together?
