BOOK SYNOPSIS

“Tales from the Dungeon of Pleasure and Pain”, is the new novel by 7 time published erotic author C.J. Cassidy. This novel is of unrelated vignettes of stories of unique sexual encounters excerpted from his full length novel “Internet Affairs”. Bold and not for the weak of heart, C.J. spins tales of seduction and sex in many everyday situations and some not so everyday. His stories go from finding true love to finding that one phenomenal encounter that curls your toes. This is the kind of novel that shocks and arouses. It is a guilty pleasure that you cant wait to share with your friends, if... you have the nerve! The last story is of an actual encounter that CJ experienced with his lovers, Katherine and Jennifer. I highly suggest that you get a glass of wine, light a scented candle and get under your covers... because youre about to get naughty... and like it!
