BOOK SYNOPSIS

This is a collection of the standard texts of ancient Greek which are important components of what we know about Greek myth, religion, language and culture. All of the works collectively known as the Homeric Hymns are collected and translated here in their entirety, and the work includes ample notes and an introduction to provide information on the works historic importance, a chronological table, genealogical chart, maps of Greece and the Aegean Islands, and illustrations of vase paintings with mythological themes. This edition is part of the Focus Classical Library.
