BOOK SYNOPSIS

One of the world's most renowned animal communicators, Amelia Kinkade has brought thousands into closer contact with their beloved dogs, cats, birds, and horses. Now she shares the wonders of her recent work communicating with wild, and in some cases endangered, animals. Amelia takes readers on a rollicking ride as she visits with tigers, elephants, lions, great white sharks, black mamba snakes, whales, and bees. Traveling all over the world, Amelia reveals the inner thoughts and feelings of these extraordinary animals and shares the advice she has gleaned — words about tenderness, reconnection with nature, life after death, and the possibilities of magical awakenings inside the brains of an ever-evolving human race. Anyone with a heart, mind, and funny bone will delight in this invitation to understand and appreciate our fellow inhabitants of planet Earth.
